

THE POWER DRIVE® DEAD BLOW HAMMER LINE

The Power Drive is the finest Dead Blow Hammer line on the market, and features patented shot loaded interior cavities for maximum no bounce effect, solid fiberglass handles which fully absorb repetitive overstrikes, choice of ergonomic grip designs, and a new steel face option (SFS). Manufactured in the U.S.A., the Power Drive utilizes a specially engineered striking face material for a lifetime of durability and high performance driving force.

- Produces 40% more driving force than conventional hammers
- Wide variety of sizes and weights
- Steel face option
- Ergonomic grip designs reduce user fatigue
- High visibility color for a safer workplace
- Resistant to industrial chemicals
- Non-marring, non-sparking
- Meets or exceeds all U.S. Federal Specifications
